

RESIDENCY RE-VERIFICATION: FAQs

Why is the District doing this?

As part of the District's focus in confronting fiscal challenges, it is imperative that we are able to assure the community at large that every child who we are educating is entitled to the opportunity to attend our schools.

What kind of documentation do I need to provide?

All parents/guardians of current 8th grade students will need to provide the District with a copy of either a deed or current tax bill for homeowners, or a copy of a lease or residency affidavits for renters. Additionally, everyone will need to provide three pieces of current mail as well as a signed, notarized Residency Certification.

Didn't I already provide this information?

You provided similar information when your child was first registered for attendance in district schools. It is now our procedure to ask for re-verification of district residency for all prospective 9th grade students.

When and where do I need to submit this documentation?

All documentation should be submitted to the main office of your child's Middle School by the end of March. Your child will not be scheduled for their 9th grade program until your residency verification is complete.
