

## **STUDENTS' PERSONAL PROPERTY**

The following statement shall be published in all student handbooks and in the school district calendar, and shall be posted in every area where student lockers are located.

**THE GREAT NECK UNION FREE SCHOOL DISTRICT DOES NOT ASSUME RESPONSIBILITY OR LIABILITY FOR THE LOSS OF PERSONAL PROPERTY BROUGHT TO SCHOOL BY STUDENTS OR PLACED BY THEM IN ANY LOCKERS OR ELSEWHERE IN THE SCHOOL BUILDING.**

Students should not bring valuable items of personal property to school. Those who do should keep such property in their possession at all times. The school does not provide facilities for the safekeeping of students' personal property.

Lockers are made available as a convenience for students, but should never be used to store valuables.
