

## **EVALUATION OF STAFF**

The Great Neck Board of Education believes that the evaluation of all staff is necessary to continuously improve both the achievement of students and the operation of the district. To this end, the Superintendent shall be responsible for ensuring that all District employees are evaluated annually and receive appropriate levels of support based upon that evaluation, if necessary, to improve their skills.

The Superintendent or his/her designee shall ensure that all staff required to evaluate other staff are provided appropriate and sufficient training in assessment and evaluation, in accordance with state law and regulation.
